PRINTING SETTINGS

Go to the "printing settings" before printing and ensure that the "page scaling" option is set to 'none' in the print dialogue box and print on a full letter (8 1/2 x 11 inches) size page. To check that the Ring Size Chart has been printed properly, take a ruler and measure the sample below:

IF YOU HAVE A RING

If you have a ring put it over to one of the colored circles, if your ring appears to be between two sizes, we recommend that the larger size be chosen.

IF YOU DON'T HAVE A RING

- Print and carefully cut out our Paper Ring sizer below.
- Create a slit by making a small cut on the line labeled "Your Size".
- Slip the pointed end through the slit creating a circle.
- MEASURE: Place around your finger and pull the pointed end to create a snug fit.
- DETERMINE: The number line located at the "Your Size" slit is the proper ring size.
- Tip: Be careful not to wrap the paper too tight. Aim for a comfortable fit.
- Tip: For the most accuracy, have someone help you measure.
- CHECK: Double check for accuracy
